STRUCTURE OF THE AUDITIONS

1) Performance test

Each teacher has specific repertoire requirements which should be consulted in the following pages.

If after listening to all auditionees the panel is still undecided the applicant may be asked to have a lesson with the principal teacher. This is neither a requirement nor is it compulsory, but it is only an additional means that the audition panel might use if it is felt it will assist them in reaching a final decision.

2) Music Theory test

Candidates selected after the audition must take a theory and a practical test to assess their level in case they are admitted. Taking these tests does not imply admission to the School.

Music Theory test

A comprehensive test of music history, musical analysis, and ear training.

- Music History:

Aural recognition test of different historical musical styles, from the Renaissance to the 21st century, indicating aspects of form, tonality, style, instrumentation, etc.

- Musical Analysis:

Harmonic and form analysis of an instrumental piece from the classical or romantic period.

- Aural Harmony:

Test of the knowledge of the theoretical foundations in terms of tonalities and construction of intervals and chords: type, inversions, chord progressions, cadences, etc.

- An individual test of Aural Training:

1. Aural Training:

Absolute and relative pitch test.

Intervalllic, melodic, polyphonic and harmonic listening.

Dictation and practical exercises of construction of intervals, triads and chords.

2. Rhythmic test:

Assesment of rhythmic comprehension, realisation and coordination with progressive difficulty, including different polyrhythmic combinations.
